REDCODE

?

10-yr old becomes web developer and started RedCode to teach others

Saksh a student of KV No.2 Jalahalli from the young age of 8, loved mobile, laptops & coding. Eventually, his love of coding became **RedCode**.

Now Saksh started helping the others in learning the coding through his website **www.RedCode.co.in**

He also not taken any fees from the poor and needy children.

His future plan is to expand the **RedCode** for the needy and poor children in all over the world.

"Hello everyone! My name is Saksh and am just 10 years old and doing coding from last two years. I made the world record and got the title **"THE YOUNGEST DEVELOPER AND MENTOR IN COMPUTER LANGUAGE"**. If you also want to learn coding then I can definitely help you. Because a child can better understand the other child's problem. If you are ready to dive in the ocean of coding then [Click Here](#)

Testimonial

I heard about RedCode.co.in that a 10 year kid teaching the coding then it was unbelievable for me but when I took the demo class then I surprised a lot and I said Oh! My GOD what a brilliant Kid!

Malini Malhotra
Student

One day I was very upset because I am facing problem in my project, but thank God Saksh you save me. God bless you for your bright future.

Rajesh Kumar
Student

I amazed a lot when I personally met him on RedCode platform. He is like a magician of coding!

FUTURE AMBITION

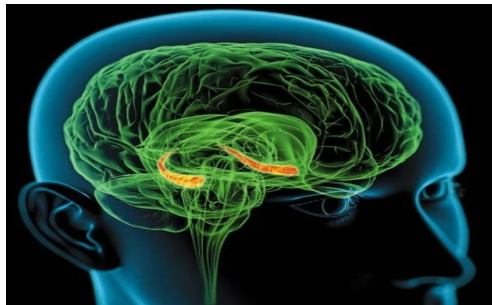

?

SOLUTION FOR THE BIGGEST PROBLEM

PROBLEM : LET ASSUME TWO BEST FRIENDS BECAME ENEMY OF EACH OTHER DUE TO SOME DIFFERENCES OR MISUNDERSTANDING AND IT MAY BE CONTINUE FOR MANY YEARS OR MAY BE LIFETIME.

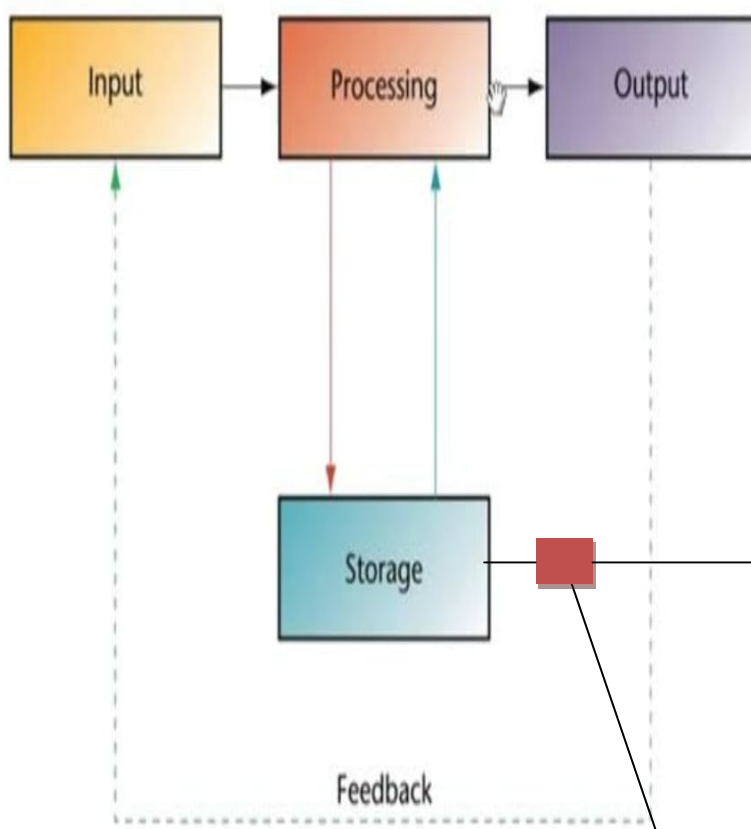

REASON: THE OLD BAD MEMORIES IN THEIR BRAIN FOR EACH OTHER.

SOLUTION : DELETE THE OLD BAD MEMORIES FROM BOTH THE MINDS SO THAT THEY CAN BE GOOD FRIENDS AGAIN!

LET'S DO CODING

**BRAIN IS THE MOST POWERFUL THING ON THIS PLANET.
AN AVERAGE ADULT HUMAN BRAIN HAS THE ABILITY TO
STORE UPTO 2.5 PETABYTES (1 PETABYTE=1024 TERABYTES)**

**MANY NEUROSCIENTISTS DONE A GREAT JOB IN THE PAST
TO UNDERSTAND THE CONCEPT OF STORAGE SYSTEM OF
BRAIN AND PROGRESSED A LOT IN THIS FIELD.**

**I WILL ALSO GIVE MY WHOLE LIFE TO UNDERSTAND THIS
CONCEPT AND WITH YOUR BLESSING & SUPPORT ONE DAY
I WILL ACCESS & MODIFY THE STORAGE DATA OF THE
HUMAN BRAIN FOR THE BETTERMENT OF THIS PLANET.**

SAKSH THAKRAN
